Hi s47F

Apologies for the delayed response, we would definitely like to renew our membership for the next 12 months please.

Is there anything we need to do from this end, or just wait to receive an invoice?

Many thanks,

Happy New Year s22 -

Hopefully, you're settling back in and getting excited for the new year.

I wanted to email to do two things.

- A. let you know Australian Health Practitioner Regulation Agency Pride in Diversity membership (Standard Level) will expire on **6/02/2024**

I was hoping to see if there is any early notification/indication of if you will be aiming to renew for the following 12 months.

I'd very much like to continue the work we have started together to consider the AWEI in 2024 and looking at ways to make your workforce inclusion initiatives smooth and supported. Let me know your thoughts, and if you need any information to prepare an approval/business case for renewal or just would like to discuss any thing prior to making any decisions.

I have attached our current membership levels for your review. Please note I will be on leave from 22nd Dec – 7th Jan and any emails received in that period will not be actioned until after my return.

- B. Now that 2024 has kicked off I thought it may be valuable for us to get our first meeting in and discuss your plans for 2024 and where we can collaborate – and the cadence of our meetings in 2024. We can also consider the potential for us to do a bit of a strategy session with any key stakeholders if that would be of value. Let me know if you would like to do that

Looking forward to hearing from you.
